War is "madness" which brings destruction

Call the war "hybrid", but the human losses are real

The war in Ukraine can be called "hybrid", but the human losses are real. Comprehensive and complete isolation of Putin's criminal regime is the most urgent task that should be done to save humanity from a repetition of the tragedy of the Second World War. Appeal to international leaders and the world community at the Ukrainian December 1 Group. <http://goo.gl/9LS0Bw>

Pope Francis: Even today, after the second failure of another world war, perhaps one can speak of a third war, one fought piecemeal, with crimes, massacres, destruction... War is "madness" which brings destruction. <http://goo.gl/ppTYVV>
