Final elections results by party lists announced

Putin's latest moves in Ukraine reveal his belief in West's inaction

Nov 11, Final elections results by party lists announced by CEC. See results at <http://goo.gl/vvvrwk>

Ukrainian President Petro Poroshenko has ordered reinforcements to protect southern and eastern areas of Ukraine from possible attacks by Russian irregulars. Speaking at a meeting of the Ukrainian National Security and Defense Council on November 4, Poroshenko said the units are to protect Mariupol, Berdyansk, Kharkiv, the north of Luhansk, and Dnipropetrovsk region. <http://goo.gl/7R2Qd8>

Can Poroshenko reform Ukraine? Poroshenko can't, but Ukrainians can. <http://goo.gl/lpjQfM>

Vladimir Putin has a very clear strategy in Ukraine: first, sow panic among Ukrainians and the West and then wait. Next, provoke Ukrainians into doing things that distance them from the West, and then wait; invade when both Ukrainians and the West are off balance; and then repeat the process. <http://goo.gl/PNjOvM>

Nov 10: Situation in the Eastern Regions of Ukraine.

<http://goo.gl/9EPIDE>

Ukrainian regular soldiers and volunteers are ready for a possible mass advance from occupied Donbas territory, experts note. They also note that the Ukrainian army has enough strength to disrupt this advance preemptively.

<http://goo.gl/dKkH3p>

After the entry of the last Russian “humanitarian” convoy, firing in Donbas has intensified. <http://goo.gl/bnhHAN>

Nov 8, OSCE: In the city of Donetsk and in Makeevka (25km northeast of Donetsk city), in “DPR”-controlled territory, the SMM observed convoys of heavy weapons and tanks. At the time of reporting, the SMM could hear heavy, outgoing shelling to the north and northwest of the city’s outskirts, which had started at 14:45hrs.

<http://goo.gl/wGdbgM>

The OSCE says it is “very concerned” after its monitors witnessed columns of military equipment moving through territory in east Ukraine controlled by Russian irregulars.

<http://goo.gl/0vsg4m>; <http://goo.gl/PQsofX>

Nov 7: The fact that the Russians are moving equipment to the border, including tactical missile systems, suggests that Putin is considering the option of open aggression against Ukraine. <http://goo.gl/scoeTL>

Unable to control much of its border with Russia, Ukraine has decided to wall the problems off, quite literally. The nation’s top officials believe that a 2,000-kilometer-long wall will protect the country from a further invasion by Russia, and have announced a plan to build one.
